PRICE: 2100 €

TENTS

FOLDING ROOF TENT

Complete Package Includes:

- Waterproof transport cover for secure storage during transit.
- Aluminum foldable ladder (114 cm, extendable to 200 cm).
- Mounting kit for seamless installation.
- Aluminum rods for window awnings (x8)

PRICE: 1350 €

- **Compact Design:** Saves trunk space by securely attaching to the vehicle roof; no need to carry additional sleeping gear.

- **Weatherproof Build:**

- Waterproof polyester canopy (200D) and water-repellent walls ensure excellent protection from rain and moisture.

- UV-resistant and temperature-stable materials guarantee durability in extreme conditions.

- **Comfortable and Spacious:**

- High-density foam mattress (235 x 140 x 6 cm) included, providing ample space for two adults.

- Ventilated design with mosquito nets on windows for insect protection and airflow.

- **Durability:** Constructed with an aluminum frame, a sturdy sandwich base, and high-strength fabrics resistant to wind, water, and UV rays.

TENTS

SHOWER TENT

Complete Package Includes:

- Durable water-resistant transport cover.
- Aluminum frame components.
- Guy lines and stakes for additional stability if required.

PRICE: 270 €

- **Multi-Purpose Design:** Perfect as a shower room, toilet room, or changing room, making it an indispensable accessory for campers and travelers.

- **Quick Setup:** Simple to assemble and disassemble, with a user-friendly design that requires minimal effort.

- **High-Quality Materials:**

- Water-repellent, UV-resistant, and windproof fabric ensures reliability in all weather conditions.

- Durable aluminum frame provides stability and longevity.

- **Portable and Lightweight:** Compact design with a waterproof transport bag for easy storage and transport.

- **Ventilation and Privacy:** Equipped with a ventilation system and opaque materials for maximum privacy and comfort.

SIDE AWNING TENT WITH **LED** **LIGHTNING**

Designed for universal compatibility, it mounts directly to your vehicle's crossbars with the included installation kit, ensuring secure attachment regardless of the vehicle model.

In its folded state, the awning transforms into a sleek addition to the crossbars, taking up minimal space. It doesn't interfere with roof box access or the mounting of additional accessories like bikes or skis, offering maximum functionality.

AWNINGS

PRICE: 320 €

Key Features:

- **Dimensions (open):** 250 x 250 x 200 cm
- **Packed dimensions:** 265 x 16 x 16 cm
- **Weight:** 16 kg
- **Material:** Polyester with UV protection and sealed seams
- **Additional options:** Storm ties, mosquito net sidewalls

Perfect for those who value convenience and functionality, the Columbus Awning is your solution for unpredictable weather and ultimate outdoor comfort.

FAN-SHAPE AWNING TENT WITH **LED LIGHTNING**

Whether sheltering from a downpour or escaping the blazing sun, **this awning transforms nature's unpredictability into a pleasant outdoor experience.**

The **fan-shaped design** unfolds to cover 10 square meters, offering enough space to shield both your table and your vehicle's trunk—perfect for restocking supplies without getting wet. Its durable aluminum frame ensures stability even in strong winds, while the waterproof Ripstop fabric delivers dependable protection in any conditions.

AWNINGS

PRICE: 520 €

- **Compact Design:** Mounts to any vehicle's crossbars with the included universal attachment kit, freeing up space in your trunk.
- **Easy Setup:** Quick to deploy and folds neatly into a compact 18 x 16 x 250 cm storage case.
- **Generous Coverage:** 10 m² of shelter, accommodating both people and gear.
- **Durability:** Built with an aluminum profile and waterproof Ripstop fabric for lasting reliability.
- **Customizable:** Optional mosquito net sidewalls keep insects out for ultimate comfort.

SIDE ROOM FOR AWNING TENT

The **Awning Room** is the ultimate addition to your Side Awning, providing a secure and comfortable space for your outdoor adventures. Designed for protection and convenience, it ensures a bug-free, weatherproof environment wherever you go

SIDE ROOMS

PRICE: 690 €

Key Features:

- **Integrated PVC Floor:** A durable, waterproof PVC floor (2.5 x 2 m) offers complete protection from weather and crawling insects.
- **Dual Mosquito-Protected Windows:** Two large windows equipped with mosquito nets provide ventilation while keeping bugs out.
- **Zippered Access:** Includes a zippered door for easy entry and access to your vehicle.
- **Weather-Resistant:** Shields you from rain, wind, and UV rays for a worry-free outdoor experience.
- **Portable & Easy to Install:** Lightweight and easy to set up or dismantle, with a dedicated carry bag included for transport.
- **Secure Setup:** Comes with metal stakes for reliable perimeter fixation on any terrain.

SIDE ROOM FOR FAN-SHAPE AWNING

Upgrade your **Fan-Shaped Awning** with versatile **Side Room Walls**, designed to enhance comfort and protection during your outdoor adventures. Made from high-quality materials, these walls create a cozy, enclosed space, shielding you from wind, rain, and insects while extending the functionality of your awning.

SIDE ROOMS

PRICE: 650 €

- **Easy Installation:** Quickly converts your awning into a closed space for added privacy and weather protection.
- **Double Mosquito Windows/Doors:** Each wall features dual mosquito mesh panels with high-quality ZKK zippers for ventilation and insect protection.
- **Premium Material:** Made from 200D polyester, offering excellent waterproofing and UV resistance to withstand any weather.
- **Storm Stability:** Includes storm tie-downs and mounting accessories for secure setup, even in strong winds.
- **Optimal Height:** Walls are 2 meters tall, ensuring a spacious and comfortable interior.
